I base my belief on the following facts: (Print ALL information clearly.)

On or about February of 2015 I was sexually assaulted by Bristol Neal. The sexual assault began when I was 11 and he was 13 or 14, and continued on and off for 5 years. The last assault occurred on or about November 8 of 2019. When I told Bristol that night that I didn't want to do it anymore he told me I had to or he'd tell my mom I was gay. He had previously told my girlfriend I was gay and did stuff with him when I refused to have sex with him. I was bullied online because he shared messages claiming we were having sex. That night he grabbed my buttocks and attempted to insert his finger. I told him to stop. I started a memo recording so that I could have proof of what he was doing. I asked him if we could just do normal stuff, which I didn't want to do anyway, but he insisted we do gross things like me using that bathroom in his mouth. It is so gross and I never wanted to do any of it. When I told Bristol I didn't want to do it he would go between begging me and threatening me. Based on his threats that night I didn't fight back when he placed his face on my buttocks and penetrated my rectum with his tongue. I never ever allowed him to be around me after that night, and he has gotten more and more threatening in messages to me and my friends. On November 8, 2019 I was 16 years of age and Bristol was 18 years old.

Three or four months after the abuse began in 2015 Rebecca Neal, Bristol's mother, walked in on one of the assaults. She closed the door and did nothing to stop it. I know she knew what was happening because she told her son to make sure her husband didn't see him doing that. When I told Bristol I didn't want to spend the night with him anymore Becky told me that that I had to spend time with Bristol or he could hurt himself and it would be my fault. She told me this several times over the 5 years. Since I told Bristol that I would not have sex with him or do the disgusting things he wanted they have begun threatening me and my family. Bristol has come to my house multiple times and hung out outside, and he will text me or my friend to tell me he is there. He has told my friends he wants to commit acts of violence against me. I believe he is dangerous and his mother helps him.

The statements above are true and accurate to the best of my knowledge and belief.

In making this complaint, I have read and fully understand the following:

- By swearing to these facts, I agree to appear in court and testify if a warrant or summons is issued.
- The charge in this warrant cannot be dismissed except by the court, even at my request.
